## 2015 Premium Bale Information Sheet

Name:	 		
Ranch Name: _			
Address:	 	 	

	Prelim Test		Grid Test av				
Fleece ID	AFD	SD	AFD	SD	CF	Strength	Length

- White fleeces 2<sup>nd</sup> year or older (no cria fleeces)
- Testing options:
  - o Send in three randomly selected samples from anywhere on the fleece along with this form to the address below and a \$5 check for the three tests, or
  - o Send in one sample as a qualifying test (with a \$5 check).
  - o Invitations will be sent to growers if the tests qualify for either bale.
  - o A single test sample fleece will require two more tests upon receipt and will be returned if the tests do not qualify the fleece for either bale (at the owner's exp-ense).
- Test results will be recorded on www.alpacastats.com as soon as they are done.
- Tender fleeces will not qualify.
- SD under 3.7 is required to qualify.
- CF better than 95% is required to qualify
- The project will close off at 180 pounds collected.

All participants will be acknowledged on the ACOA website and any promotional material associated with the project.

## Send samples and fleeces to:

Alpaca Consulting USA 1540 San Bernardo Creek Road Morro Bay, CA 93442
